Dr. Ng is currently the Finance Director of Oracle Corporation Malaysia. He holds degrees and qualifications in Accountancy, Business Computing, and Business Administration. He is a Fellow of Chartered Association of Certified Accountants (FCCA) and a Fellow of Chartered Institute of Management Accountants (FCMA). He attained his Master Degree from Strathclyde University in Glasgow and accomplished his PhD with Universiti Teknologi Malaysia. He was trained in the UK as Chartered Accountant and had worked on various statutory audits, insolvency cases, tax administration matters, and developed his expertise in IT and Business Management.

He spent a significant part of his career working in Europe, progressing through as Project Accountant, working on Merger, Acquisition and Corporate Financing matters. He had worked in various positions as UK Financial Planning Analyst, UK Accounting Controller, and UK Group Chief Accountant. His last posting in Europe was to Paris to oversee the European region as Director of European Operation Review, and as Chief International Auditor. Dr. Ng was invited back to Malaysia in 1996 by a major MNC to head their subsidiary's Finance Operation. In his role as Finance Director, he transformed the company's Finance department from a back office function into a management information center.

Throughout his working life, Dr. Ng has always worked beyond the areas of his specialisation. He was an SME Committee Member of ACCA up to year 2006 and was an advisor to MCA ICT Resource Centre for their SME-ICT P5 project. He is now a member of ACCA Malaysia Advisory Committee.
